

Northwest High School Boundary Committee May 2, 2006 Minutes

Additional Options

- Option 1a: Tweak Option 1 to match current middle school boundaries, but put Quail Ranch in the new high school.
- Option 1b: Tweak Option 1 to put Ventana West in the new high school
- Option 2a: Tweak Option 2 such that areas just north and east of Ventana Ranch goes to Cibola and Chamiza goes to the new high school
 - Pros: Chamiza closer to the new high school than to Cibola

Decisions

- Option 3 is not viable due to too much growth in the new high school

Next Steps/Follow Up

- Bring the issue of how the new high school will support extracurricular activities (e.g. orchestra, band, sports) to APS Leadership
- Provide a kid grid
- Add walk zones to map
